Todd W. Marsh  
1961-2009

Mr. Marsh was more than just an employee or an educator, he was an extremely dedicated musician, a gifted performer, a talented handyman, a skilled golfer and a reliable and responsible friend and family man. More than that, he was our friend and a member of our family.

We are reminded of his wonderful sense of humor, the beautiful sound of his piano, his love of all things music and the standard that he always held his students to.

He will never be forgotten and his time with us will be celebrated for years to come.

Dedicated to the loving memory of Mr. Todd W. Marsh
