Dear Parents,

I'm excited to introduce a fundraising program that could make a big difference for our school. It is extremely easy to do, enrollment is absolutely free, and it could help us do some amazing things for Adelphi.

This is something you can do without any hassle whatsoever. Every time you buy groceries, go to the movies or buy a cup of coffee, you could be helping us raise much-needed funds for our Academy.

The program is called the **WaMoola for Schools** program, and if you're already a Washington Mutual checking account customer, all you need to do is enroll at **wamoolaforschools.com** and select Adelphi Academy. Every time you use your Washington Mutual Debit Master Card you'll earn a point. The more you use the card, the more you'll be helping the Academy. At the end of the year, the points are converted to a cash donation to the school from Washington Mutual! It's that simple!

Our Academy can put the money toward wherever it is needed most. There's also no limit to the points we can earn, so the more people we can get involved, the more support we'll receive!

If you are interested in getting a Washington Mutual Debit Master Card and don't already have one, you can open a checking account at any Washington Mutual Financial Center. To find one nearest you, call **(800) 788-7000** or search on line at **wamu.com**

This could be a significant resource for Adelphi, so I hope you'll get involved. Please take advantage of this opportunity and enroll in the **WaMoola for Schools Program** today!

Sincerely,

Albert C. Corhan
Corporate Director of the Academy
