Dear Adelphi Parents and Guardians,

The *Adelphi Academy AM/PM Program* will open **Monday, September 12th, 2011**. This program is open to all Adelphi students Pre-Kindergarten through 5th grade and runs from 7:00am to 8:20am in the morning and 3:20pm to 6:00pm, at the end of the school day, Monday through Friday. The program will incorporate a component of academics, assisting children to complete their homework and study assignments. Additionally, the children will enjoy activities including a variety of arts and crafts, music, and athletic recreation. Weather permitting, the students will also have supervised use of the Academy's outdoor grounds and playground facility. The Academy will also offer a snack during each day of the PM program (3:20pm to 6:00pm).

The program has been constructed to accommodate the needs of parents/guardians on a daily, weekly, monthly or annual basis and is moderately priced compared to other after school programs in the Bay Ridge area. If you are interested in enrolling your child, please complete and return the enclosed application with your payment today. We are delighted to be able to offer our students such an exciting and enriching program. I hope you will find it to be an educationally rewarding experience for your child!

In addition to the AM/PM program, we hope to offer enrichment later in the year. The enrichment classes will run from 3:20pm to 4:20pm. Some of the classes that we hope to be able to offer include cooking, dance, sports, musical instruction, foreign language, and science. Classes will run for ten (10) weeks, once a week, on a specific day at a cost of \$165.00 per program (10 classes). If you are already enrolled in the AM/PM program you will receive a \$65.00 discount per program.

Very Truly Yours,

Iphigenia Romanos
