

ADELPHI ACADEMY OF BROOKLYN

CANCELLATION OR DELAY OF CLASSES DUE TO INCLEMENT WEATHER CONDITIONS

If classes need to be cancelled or delayed (due to inclement weather or another emergency) before the beginning of the instructional day, an announcement will be placed on the school's website (**adelphiacademy.org**) and heard over the radio stations **WINS 1010AM** and **WOR 710AM** on the am radio dial. If possible, a notification message may also be added to the school's main greeting on the school phone system (**718-238-3308**).

Because inclement weather conditions can sometimes prevent school personnel from being able to place such notification messages on the school phone system and/or website we ask that you always check **ALL** possible information sources available to you.

If all classes are cancelled after an instructional day begins (but before end of day dismissal) due to similar circumstances, the school Administration makes the decision and an announcement is made on radio station WINS 1010AM and WOR 710AM and the school website.

If the school is open during poor weather, the parent(s)/legal guardian(s) must decide according to local conditions, distance, travel details, etc if they wish to send their child(ren) to school.

Please do not phone the radio station or the school to inquire about delays or closings. Telephone lines must be kept open for emergencies. School closing information will also appear at **WOR710.com** and **1010WINS.com**.

When school is closed as a result of inclement weather or some other emergency, all school wide services and programs including classes, tutorials, trips, activities, events, games, practices, rehearsals, meetings, etc. shall be cancelled.
